Injectable and nasal vaccine has been distributed to doctor's offices that have chosen to provide the H1N1 vaccine. PLEASE CALL YOUR PROVIDER FOR AVAILABILITY.

The Hendricks County Health Department's share of the vaccine will be provided through Preferred Home Health Care at their clinic.

All children must be accompanied by a parent or guardian.

***The vaccine is free; however providers may choose to charge an administration fee and/or bill Insurances, Medicaid and Medicare. The Hendricks County Health Department encourages all providers of the H1N1 vaccine to turn no patient away regardless of ability to pay an administration fee.**
