IMPORTANT INFORMATION

The amount of the monthly deduction or monthly installment payment is the amount of the tax liability for the current year divided by the number of monthly deductions.

Penalties apply to taxpayers using a monthly deduction or monthly installment plan if the taxes are not paid in full by the final monthly installment due date of **MARCH 20, 2010**. If the taxpayer misses a payment in the installment or pays less than the amount due in a particular installment or deduction, or if there are insufficient funds available to make the monthly deduction from an account, the taxpayer may be subject to penalties under IC 6-1.1-37-10. If the taxpayer pays the taxes due according to the payment plan, the taxes are not considered delinquent.
