

HENDRICKS COUNTY STORMWATER MANAGEMENT HANDBOOK

February 2005 Edition

February 18, 2005

To: All interested persons

Subject: Hendricks County Stormwater Management Handbook

This guide to stormwater and drainage system requirements for land development projects in Hendricks County will provide answers to many of the questions you have concerning plan review and approval. Along with a copy of the recently developed HENDRICKS COUNTY STORMWATER MANAGEMENT ORDINANCE (Part 1) and the HENDRICKS COUNTY STORMWATER TECHNICAL STANDARDS MANUAL (Part 2), updated Drainage Board and Department of Surveyor Uniform Fee Schedules (Part 3) have been included as well. The remainder of the Handbook provides information for successfully completing and submitting plan proposals which impact regulated county drains.

Upon receipt of this Handbook, please fill out the enclosed registration card and mail it to the County Surveyor's Office so that we may provide you with any adopted changes to the current set of requirements.

It is our intent to provide you with complete and accurate information. Please report any errors or omissions to my attention.

Sincerely,

A handwritten signature in black ink, appearing to read "David L. Gaston". The signature is fluid and cursive, with a large initial "D" and "G".
