

HENDRICKS COUNTY BOARD OF COMMISSIONERS & HENDRICKS COUNTY COUNCIL

MINUTES OF THE JOINT JUNE 18, 2024 MEETING

The Hendricks County Board of Commissioners and the Hendricks County Council met in a joint session at 10:30 AM on Tuesday, June 18, 2024 in Meeting Rooms 4 & 5 located on the first floor of the Hendricks County Government Center at 355 S. Washington Street, Danville, IN 46122 with the following Hendricks County personnel in attendance:

Phyllis A. Palmer Commissioner, President

Bob Gentry Commissioner, Vice President

Dennis W. Dawes Commissioner

Eric Wathen Councilman, President

Caleb Brown Councilman, Vice President

Dave CoxCouncilmanLarry HessonCouncilmanLarry ScottCouncilmanDavid WyethCouncilman

R. Todd McCormack Executive Director

Jack Sadler Sheriff

Cinda Kattau Chief Deputy Auditor Paula Alkire Financial Administrator

Erin Hughes Human Resources Administrator
Mila M. Shaffer Administration and Public Affairs

John Ayers Engineer

CALL TO ORDER AND DETERMINATION OF A QUORUM

Commissioner Palmer opened the Meeting for the Commissioners at 10:05 AM with a quorum of all three (3) Commissioners present. Councilman Wathen opened the Meeting for the Council at 10:05 AM with a quorum of six (6) Councilmen present; Councilman Whicker was not in attendance.

IN THE MATTER OF APPROVAL OF MINUTES FROM FEBRUARY 27, 2024 JOINT MEETING

Councilman Wyeth moved to approve the Minutes from the February 27, 2024 Joint Meeting as presented. Councilman Cox seconded the motion and the motion was approved unanimously 6-0-0. Commissioner Gentry moved to approve the Minutes from the February 27, 2024 Joint Meeting as presented. Commissioner Dawes seconded the motion and the motion was approved unanimously 6-0-0.

IN THE MATTER OF FINANCIAL DISCUSSION

There was discussion amongst the Commissioners, Council, Todd McCormack, Sheriff Sadler, John Ayers, Cinda Kattau, Paula Alkire, Greg Guerrettaz (Financial Solutions Group), Adam Steuerwald (Barnes & Thornburg), and Dan Zuerner (Garmong Construction) regarding financing options for current and potential capital improvement projects, financing for road projects, and the importance of completing a space study for all County locations, excluding the new Jail and Highway Department.

Potential projects include the new Highway Department Facility, East Campus Building demolition, storage building at the new Highway Department property, Courthouse Annex parking lot, Fairgrounds upgrades, three roundabouts at SR 39/I-70, and Ronald Reagan Parkway north of CR 750 to CR 1000.

Councilman Brown left the meeting at 10:33 AM.

Councilman Wathen stated the space study will help with future decisions.

Commissioner Dawes reported a high-end developer that purchased 1200 +/- acres in Liberty Township is looking to the County for a residential TIF. Commissioner Dawes stated he does not think the developer will walk and throw it away if he doesn't get the TIF, but wanted to make everyone aware that there are discussions.

Commissioner Dawes left the meeting at 11:35 AM.

There was discussion amongst the Commissioners, Council, John Ayers, Greg Guerrettaz, and Adam Steuerwald regarding TIFs and how once the areas are annexed those portions of the TIF are removed from the County, unless the County has a reimbursement obligation resolution in place. There was concern expressed regarding the areas along the Ronald Reagan Parkway that the Town of Brownsburg has annexed and are continuing to annex. Councilman Wathen stated the County needs to talk with the Town of Brownsburg about them doing this and the County paying for the roads and then losing the planned TIF funds because of Brownsburg annexing the areas. John Ayers stated he would look into the TIF definition and compare it to what's being annexed currently. Adam Steuerwald stated he could not give the County legal advice because he represents Brownsburg on legal matters.

IN THE MATTER OF ACTION ITEMS

Jasmine Chong (Apex Benefits) presented Amendment No. 1 to the Hendricks County Government Summary Plan Document to accommodate the requirements under IC 36-8-10-16.5 regarding sheriff and merit deputy health insurance for surviving spouse and children and requested approval.

Councilman Wyeth moved to approve the Amendment as presented. Councilman Cox seconded the motion and the motion was approved unanimously 5-0-0. Commissioner Gentry moved to approve the Amendment as presented. Commissioner Palmer seconded the motion and the motion was approved unanimously 2-0-0.

IN THE MATTER OF STEELE UPDATE

Mike Blink (Steele Insurance & Financial Services) presented a Client Services Agreement to move from utilizing the Aflac enrollment site for Steele Benefits (employee benefit management system) to Steele's enrollment site beginning January 1, 2025, to make updates and reports easier to obtain and enable carrier changes away from Aflac. Mike Blink stated the monthly fee would increase from \$650.00 to \$1,025.00.

There was discussion amongst the Commissioners, Council, Erin Hughes, Paula Alkire, Jasmine Chong, and Mike Blink regarding the matter. Councilman Wathen inquired what the difference is between the two platforms. Mike Blink advised it would have the County's logo on it, would offer more product education, and wouldn't tie the County to Aflac in case they ever decided to stop offering Aflac. Erin Hughes stated it would also enable HR and the Auditor's Office to run reports themselves more easily, instead of having Steele run the reports for them, which could take up to one day to receive. Paula Alkire stated the added education would be a good user tool for employees to utilize instead of meeting with HR to obtain the information, and in the future with another added option it would give them the ability to send out alerts to employees for weather, birthdays, anniversaries, appreciation, etc. Councilman Cox inquired if this was worth a \$400.00 per month increase. Commissioner Palmer stated she had the same question as Councilman Cox. Erin Hughes and Paula Alkire stated it was, especially for payroll to have the reports within minutes. Erin Hughes advised that if the County ever went away from Aflac, they would have to make the transition at that point anyways, and stated Steele has not increased the County's price since signing up with them in 2018. Aflac currently pays a portion of the monthly fee for the County.

Councilman Wyeth moved to approve the Agreement as presented. Councilman Cox seconded the motion and the motion was approved unanimously 5-0-0. Commissioner Gentry moved to approve the Agreement as presented. Commissioner Palmer seconded the motion and the motion was approved unanimously 2-0-0.

IN THE MATTER OF 2024 PLAN PERFORMANCE REVIEW THROUGH APRIL 2024

Jasmine Chong presented the 2024 plan performance review through April 2024 (Exhibit A).

IN THE MATTER OF 2025 RENEWAL PROJECTIONS

Jasmine Chong presented the 2025 renewal projections (Exhibit B).

There was discussion amongst the Commissioners, Council, and Jasmine Chong regarding the projected substantial increase to the stop loss premium for 2025 when there currently are no claims impacting it. Jasmine Chong stated that's the rate increase Apex Benefits staff projected. Councilman Wathen and Councilman Hesson still questioned it because the amount of the increase does not coincide with the County's claims history.

IN THE MATTER OF 2025 RENEWAL STRATEGIES AND DECISIONS

Jasmine Chong presented the 2025 UMR Administrative Services Renewal (Exhibit C) and reported UMR is increasing their True Rx external pharmacy benefit manager interface fee from \$3.00 per employee per month to \$6.00 per employee per month beginning January 1, 2025 and requested approval to renew with UMR for 2025. Jasmine Chong stated she could look into costs to utilize UMR for pharmacy benefits management instead of True Rx if the County wanted her to.

Councilman Cox moved to approve renewing with UMR for 2025 as presented. Councilman Scott seconded the motion and the motion was approved unanimously 5-0-0. Commissioner Gentry moved to approve renewing with UMR for 2025 as presented. Commissioner Palmer seconded the motion and the motion was approved unanimously 2-0-0.

Jasmine Chong presented UMR's One Pass Select Program (Exhibit D), an optional fitness and well-being program, and inquired if the County would be interested in offering it to employees. Jasmine Chong stated the monthly fee would be paid by any employee that chooses to opt-in.

It was the consensus of the Commissioners and Council to go ahead and begin offering One Pass Select to employees now and for Jasmine Chong to send information out to make employees aware of it.

Jasmine Chong inquired if the County would like to remain with Delta Dental for 2025 with no rate changes.

It was the consensus of the Commissioners and Council to remain with Delta Dental for 2025.

Jasmine Chong inquired if the County would like to remain with VSP Vision for 2025 with no rate changes.

It was the consensus of the Commissioners and Council to remain with VSP Vision for 2025.

Jasmine Chong reported MetLife group life, LTD, AD&D, and voluntary life rates for 2025 would remain the same, but inquired if the County would consider switching to The Standard for group life, LTD, AD&D, and optional life (Exhibit E) and advised they are a great partner for Steele Benefits, offer a public safety officers line of duty benefit, and offered lower rates to the County's portion for three years.

There was discussion amongst the Commissioners, Council, Todd McCormack, Erin Hughes, and Jasmine Chong regarding the matter. Councilman Wyeth inquired what public safety officers would be eligible for this extra benefit. Jasmine Chong did not know and asked for a list to be sent to her so she could look into it. Councilman Scott inquired if these were introductory rates. Jasmine Chong stated yes, they are only good for three years. Erin Hughes inquired if employees that currently have voluntary MetLife would be able to keep their policies with MetLife without increasing their premiums. Jasmine Chong advised she did not know if they would be able to keep the policies or if the rates would increase if they were able to keep the policies. Jasmine Chong stated The Standard has agreed to match the current voluntary policies for employees. Erin Hughes stated the last time life insurance was changed it did not go over well with the employees.

IN THE MATTER OF HRH CLINIC PROGRAM REVIEW

Jasmine Chong presented a proposed expansion of the hours at the Danville HRH Wellness Clinic (Exhibit F) by 20 hours each month for an additional \$1,246.75 and inquired if the County was interested.

There was discussion amongst the Commissioners, Council, Todd McCormack, Erin Hughes, and Jasmine Chong regarding the matter and the online scheduling issues. Councilman Wathen stated he does not believe the issue is a lack of hours but is rather the issue of the HRH online scheduling system that does not show you all available appointments for a specific location, and only shows available appointments with any provider that you have seen at the Clinic before. Councilman Wathen advised if you call to schedule an appointment the availability is completely different than the online availability because they will tell you what's available at that location for any provider, instead of only what's available with a provider you've seen. Todd McCormack agreed with Councilman Wathen. Erin Hughes advised HRH is working on changing this and stated employees have complained about not being able to get appointments at the Danville location. Councilman Wathen inquired if these added hours would only be available to County employees. Jasmine Chong stated no, they would be available to everyone that utilizes the HRH Wellness Clinics. Commissioner Palmer suggested reducing hours at one of the Clinics not as heavily used to increase the hours at Danville without increasing the cost.

Commissioner Palmer left the meeting at 12:58 PM.

It was the consensus of the Commissioners and Council to not add the extra hours right now and for Erin Hughes and Jasmine Chong to reach out to HRH about fixing their online scheduling to show all available appointments.

IN THE MATTER OF 2025 RENEWAL STRATEGIES AND DECISIONS (CONTINUED)

Mila Shaffer inquired if The Standard would be offering the same guaranteed issue amount for new employees (\$150,000.00) and the same guaranteed annual buy-up amount (\$10,000.00) to current policyholders without having to show evidence of insurability. Mila Shaffer stated many employees purchase the guaranteed buy-up each year specifically because they do not have to prove insurability and advised this would be a tremendous loss to someone that may have a medical condition that would now make them ineligible for life insurance. Erin Hughes agreed with Mila Shaffer and stated it would definitely be an issue for many if The Standard does not have these same guarantees. Jasmine Chong stated she did not know.

There was discussion amongst the Commissioners, Council, Mila Shaffer, Erin Hughes, and Jasmine Chong regarding the matter. Erin Hughes advised Jasmine Chong would need to get something in writing from The Standard to show they would offer the same guarantees as MetLife and would need to find out what would happen to employees wanting to keep their current MetLife policies instead of converting them to The Standard.

IN THE MATTER OF COMPLIANCE DISCUSSSION

No matters presented.

IN THE MATTER OF STRATEGY TIMELINE

No matters presented.

IN THE MATTER OF OTHER COMMISSIONER BUSINESS

No matters presented.

IN THE MATTER OF OTHER COUNCIL BUSINESS

No matters presented.

IN THE MATTER OF ADJOURNMENT

The June 18, 2024 Joint Meeting of the Commissioners and Council was adjourned at 1:04 PM.

Exhibit E

Hold Renewal Offer for 2025 MetLife Group Life and AD&D — Successfully negotiated Rate

The Standard option review:

- Public Sector Specialization The public group clients represent 35% of The Standard's overall business and they insure 70+ municipalities/towns/local governments throughout
- Line of Duty Benefit They have a unique benefit specifically designed for municipalities of a line of duty accident. Public safety officers include police officers, firefighters policies. For Life, this benefit offers public safety officers an additional \$50,000 or called a line of duty benefit which is a great attraction and retention tool for their clients. correction officers, judicial officers or a public safety officer. 100% of the AD&D benefit, whichever is less, when suffering a loss which is the result They are the only carrier who offers this. This is available in our Life and Accident
- They are a great partner for Steele
- Standard's offer includes 3-year lower rates.
