**Other Considerations:**

Pursuant to the salary schedule, the amounts for supervisory roles are in addition to the minimum salary based on years of experience.

Probation Officers having a master's or doctorate degree +5 years as an Indiana Probation Officer, shall receive an additional 5% of their base salary each year.

POPAL's (Probation Officers Professional Association of Indiana) Recommendations.

Effective CY25, the Courts propose applying the % increase to the minimum salary schedule as a COLA for all Probation Officers, regardless of whether an individual salary is already above the minimum salary.
