

Property Tax Mailing

The pay 2025 property taxes will begin mailing approximately April 9th, 2025. To save tax dollars, both the **Spring** and **Fall** coupons are mailed in the same envelope. You **will not** receive a second statement for the Fall coupon in the mail.

If your mortgage company pays your **property taxes**, you will see a watermark across the statement stating "INFORMATIONAL". If you do not see this and your property tax is paid by your mortgage, you will want to forward the tax statement to them immediately. Remember, it is the taxpayer's responsibility to make sure their taxes are paid.

There is often a lot of confusion when a property is sold about who is responsible for the property taxes. This is an agreement made between the buyer and seller. If you have questions or concerns regarding the responsibility of your taxes, we suggest contacting your title company or realtor.

Operating hours for conducting business in the Treasurer's office are Monday through Friday, 8:00 am-4:00 pm. Please note we will **NOT** have extended hours for the spring or fall tax installments on the **due dates**.
