Lorin Ross Regulated Drain.

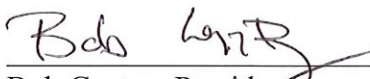

President Gentry stated he felt the best way to enter the Lorin Ross Regulated Drain from US 136 for mowing was to utilize the Ratcliff property. He also said he had been given verbal permission from the Bear family to enter through their property to mow on that side of the drain. Mr. Gaston stated he felt there might be a way to get through the Still Meadow Subdivision and asked the Board for some time to research it. The Board granted the time, as we would not start mowing until the fall. Hendricks County Chief Deputy Tiffany Dalton asked President Gentry if he would be willing to take a Right of Entry form out to the Bear family and ask them to sign it. He stated he would be happy to oblige.
