

Hendricks County Highway Department
Contractor Snow Plow RFQ and Specifications
For 2025/2026 Season

The Hendricks County Highway Department is accepting quotes for residential street snow plowing for the 2025/2026 winter season. Quotes shall be received prior to November 19, 2025, and returned to the Highway Department at 930 E Main Street, Danville, IN 46122. Please contact the Highway Department at 317-745-9227 for a list of subdivisions and bid forms.

Specifications:

- 1) Plowing will not occur for snowfall events of 1" or less.
- 2) Plowing must be authorized by the Superintendent or Assistant Superintendent prior to plowing for each event.
- 3) Contractor is responsible for carrying adequate liability insurance. Current COI & W-9 must be provided.
- 4) Price shall be based on per subdivision per inch of snowfall as measured in the subdivision roadway. Contact the Highway Department for a list of subdivisions.
- 5) Snow should not be piled in front of driveways or mailboxes.
- 6) Streets should be plowed from curb to curb.
- 7) No salting or sanding is required as part of this bid.
- 8) Contractor will be responsible for any damages to public or private property.
- 9) Contractor should be available 24 hours a day, 7 days a week, and respond within 2 hours of notification.
- 10) The Hendricks County Highway Department will determine when one event ends and another begins.
- 11) A list of resources to be used for snow removal must be provided.
- 12) Questions regarding this quote should be directed to Curt Higginbotham at 317-745-9366 or chigginbotham@co.hendricks.in.us
