

The Hendricks County Surveyor's Office is looking to get quotes in the Forrest Commons subdivision. I have included an aerial and below a scope of work.

1. Remove the large cottonwood tree and a few smaller trees in front of the RCP swale pipe.
2. All trees, stumps and debris will be hauled offsite.
3. Reshape/regrade the swale area in front of the pipe.
4. Finish grade, fertilize, grass seed and straw mat all of the disturbed work area.
5. One load of topsoil will likely be needed.

I will be doing a walkthrough on 4/25/2024. at 9am. Please let me know if you will be attending. I Would like to have **SEALED QUOTES** returned to me by 4pm on 5/13/2024 to be opened at 5/14/2024 Drainage Board. This project will have a 30-day completion date from the time the approved quote is awarded. We will meet at 1371 Forrest Commons Dr. Please let me know if you have any questions.
