SALES DISCLOSURE FORM INSTRUCTIONS

Indiana law requires a sales disclosure form (SDF) to be reviewed for completeness by the county assessor before being forwarded to the county auditor and must be completed whenever a "conveyance document" is filed. The county auditor may not accept a conveyance if: (1) the sales disclosure form is not included with the conveyance document; or (2) the sales disclosure form is incomplete and/or is not stamped by the county assessor. A separate SDF is required for each parcel conveyed, regardless of whether more than one (1) parcel is conveyed under a single conveyance document. However, only one (1) SDF is required if there is a single conveyance document that conveys two (2) or more contiguous parcels located entirely within a single taxing district. A person filing a sales disclosure form marked only with sales conditions subject to a disclosure filing fee shall pay a fee of ten dollars (\$10.00) to the county auditor.

DEFINITIONS

<u>CONVEYANCE</u> – means any transfer of a real property interest for valuable consideration. (IC 6-1.1-5.5-1) A transfer of property for no consideration or rerecording a prior transaction to correct an error is NOT considered a conveyance for purposes of IC 6-1.1-5.5.

CONVEYANCE DOCUMENT — Any of the following that purports to transfer a real property interest for valuable consideration: (1) a document; (2) a deed; (3) a contract of sale; (4) an agreement; (5) a judgment; (6) a lease that includes the fee simple estate and is for a period in excess of ninety (90) years; (7) a quitclaim deed serving as a source of title; and (8) a document presented for recording that purports to transfer a real property interest for valuable consideration. The following are considered a conveyance document, but are not subject to a SDF filling fee: (1) documents for compulsory transactions as a result of foreclosure or express threat of foreclosure, divorce, court order, judgment, condemnation, or probate; (2) documents involving the partition of land between tenants in common, joint tenants, or tenants by the entirety; and (3) a transfer to a charity, not-for-profit organization, or government. (IC 6-1.1-5.5-2(a))

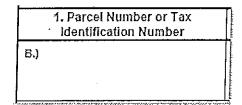

Filers should note that the following are NOT considered a conveyance document and do NOT require the submission of the SDF: (1) security interest documents such as mortgages or trust deeds; (2) leases that are for a term of less than ninety (90) years; (3) agreements and other documents for mergers, consolidations, and incorporations involving solely non-listed stock; (4) quitclaim deeds not serving as a source of title; and (5) public utility or governmental easements or rights of way. (IC 6-1.1-5.5-2(b))

<u>Personal Property</u> – means items that are not attached (built-in or affixed) to the real estate (land and buildings). This might include items such as washers, dryers, window treatments, stoves and refrigerators. Other items considered personal property are boats and other vehicles, inventories (livestock, goods in process or for trade, or agricultural commodities) and machinery used in farming or manufacturing.

A. PROPERTY TRANSFERRED

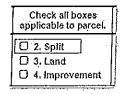

A single sales disclosure form may include multiple properties as long as the parcels are contiguous and located entirely in a single taxing district. (IC 6-1.1-5.5-3(h)) All parcels, and property listed in this box, must be conveyed on a single conveyance document. Parcels and property on separate conveyance documents must be submitted on separate sales disclosure forms. If the transaction consists of more than one (1) parcel, the additional contiguous parcels must be included on Sales Disclosure Part 1(A) – State Form 55632.

For conveyance transactions that involve more than two (2) parties, it is sufficient for one (1) transferor and one (1) transferee to sign the SDF. If anyone other than the buyer/seller or an attorney of the buyer/seller is signing the form, a properly executed Power of Attorney must be completed and attached. A person who knowingly and intentionally falsifies the value of the transferred real property or omits or falsifies any information required to be provided in the sales disclosure form commits a Level 5 felony.

Individuals filing for the Homestead Deduction must provide their full legal name (as it appears in the records of the Social Security Administration) and the last five (5) digits of their social security number. In addition, a married individual must also provide their spouse's legal name (as it appears in the records of the Social Security Administration) and the last five (5) digits of the spouse's Social Security number. - (1) The last five (5) digits of the individual's driver's license number.
- (2) The last five (5) digits of the individual's state identification number.
- (3) The last five (5) digits of a preparer tax identification number that is obtained by the individual through the Internal Revenue Service of the United States.

This information is kept confidential to the extent possible under Indiana law. Failure to provide this information may result in the inability of the individual to receive the deduction.

NOTE: The portion of the SDF requesting the Last 5 Digits of Buyer's SSN/Driver's License/ID/Other Number is only required for transactions where the buyer is using the SDF as a deduction application.

Pursuant to IC 6-1.1-12-37 (i), when an individual becomes ineligible to receive the Homestead Deduction, they must notify the county auditor within sixty (60) days of the date they first lose their eligibility. A person who fails to notify the county auditor may, under IC 6-1.1-36-17, be liable for any additional taxes that would have been due on the property if the person had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due.

Pursuant IC 6-1.1-12-44, the SDF may also be used to apply for any of the following deductions:

- (1) Solar Energy Heating or Cooling System Deduction (IC 6-1.1-12-26)
- (2) Wind Power Device Deduction (IC 6-1.1-12-29)
- (3) Hydroelectric Power Device Deduction (IC 6-1.1-12-33)
- (4) Geothermal Energy Heating or Cooling Device Deduction (IC 6-1.1-12-34)

The buyer(s) must identify all that apply to the property included on the sales disclosure. In addition, these deductions may require additional certification from the Indiana Department of Environmental Management; therefore, the buyer should work with the county auditor's office to determine what is needed to receive these benefits. If the buyer(s) uses the SDF as an application for any of these deductions, the following fields must be completed:

Note: Individuals may also be eligible for other credits or deductions for which separate application may be required. Additionally, if there is no underlying property transaction, the SDF cannot be used as an application for a deduction. Pursuant to IC 6-1.1-12-43, closing agents are required to provide a copy of the Indiana Property Tax Benefits Form outlining certain deductions and credits that may be available to taxpayers.

The buyer/grantee, seller/grantor or their representatives must sign one (1) sales disclosure form, or if the parties do not agree on the information to be included on the completed form, each party must sign and file a separate form. For conveyance transactions that involve more than two (2) parties, it is sufficient for one (1) transferor and one (1) transferee to sign the SDF. If anyone other than the buyer/seller or an attorney of the buyer/seller is signing the form, a properly executed Power of Attorney must be completed and attached. A person who knowingly and intentionally falsifies the value of the transferred real property or omits or falsifies any information required to be provided in the SDF commits a Level 5 felony.

PART 2 - COUNTY ASSESSOR

The county assessor must verify and complete items 1 through 14 and stamp the SDF before sending to the county auditor. The county assessor is responsible for verifying the following information specific to each parcel included in the sales disclosure form:

- 2. AV of Land. The most recent assessed value of the land for each parcel.
- 3. AV of Improvement. The most recent assessed value of improvement(s) for each parcel.
- 4. Value of Depreciable Personal Property. The most recent assessed value of the personal property identified for this parcel, or an estimated value for the personal property identified as determined by the county assessor.
- 5. AV Total. The most recent total assessed value for each parcel.
- 6. Property Class Code. The property class code is maintained within the computer-assisted mass appraisal system.
- 7. Neighborhood Code. The neighborhood code is maintained within the computer-assisted mass appraisal system.

Additionally, the following information must be provided for the sales disclosure form:

- 12. State Sales Disclosure Fee Required? The county assessor should indicate if the county auditor should collect a sales disclosure filing fee. The sales disclosure fee is not required for table B items 13-15.
- 13. Date of Sale. The county assessor indicates the date of sale (the conveyance date) for use in statistical analysis and ratio study calculations.
- 14. Date Form Received. Date county assessor received sales disclosure form.

Items 15 through 18 are to be completed by the county assessor when validating this sale. Processing the form to the auditor is not contingent on the validation of the sale.

- 15. If applicable, identify any additional special circumstances relating to validation of sale.
- 16. Sale Valid for Trending? The county assessor indicates if the sale is valid for use in trending.
- 17. Validation of Sale Complete? The county assessor indicates the sale validation process is complete.
- 18. Validated By. Signature or initials of individual validating the sale.

The county assessor and/or other assessing officials are also responsible for verifying the sale. Verification of sales disclosure date is required prior to submitting sales data to the DLGF. To streamline and expedite the verification of a

sale, it is strongly recommended that the county assessor verify each sale within thirty (30) days of receipt of the SDF, as the assessor may find that the buyer and/or seller may not be located at the address provided on the form.

Pursuant to IC 6-1.1-5.5-3, sales disclosure forms provided in response to public records requests shall *not* include telephone numbers.
