

Search by Address, Parcel Id or Owner Name

Advanced Search

The quickest way to find a specific corner stone is by searching by township-Range and Section. To start, click on the drop-down menu for "Advanced Search"

The Section Corners should appear on the map represented by these triangles. If section corners are not appearing, you click on the layer tab here and turn them on.

Search by Address, Parcel Id or Owner Name

Intersecting Roads Township Coordinates

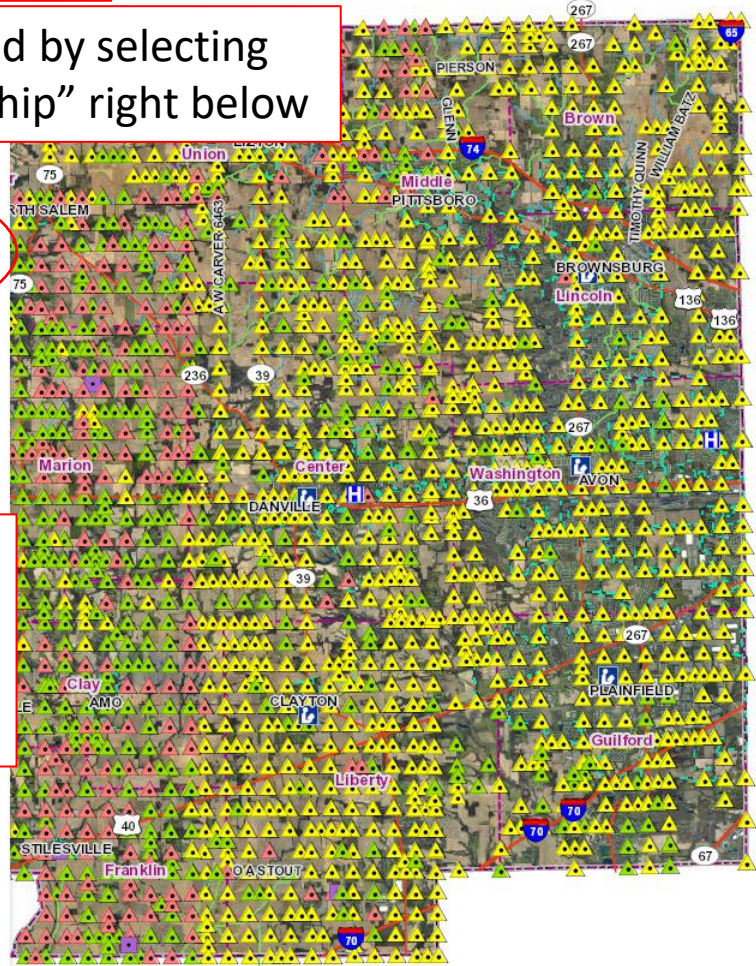

Township-Range
14N-1E

Section
01

Next you can select the "Township-Range" and "Section" by these drop-down menus. For this example, we will use Center of Section for T.15N.-R.2E

Select "Location" off the gray tab

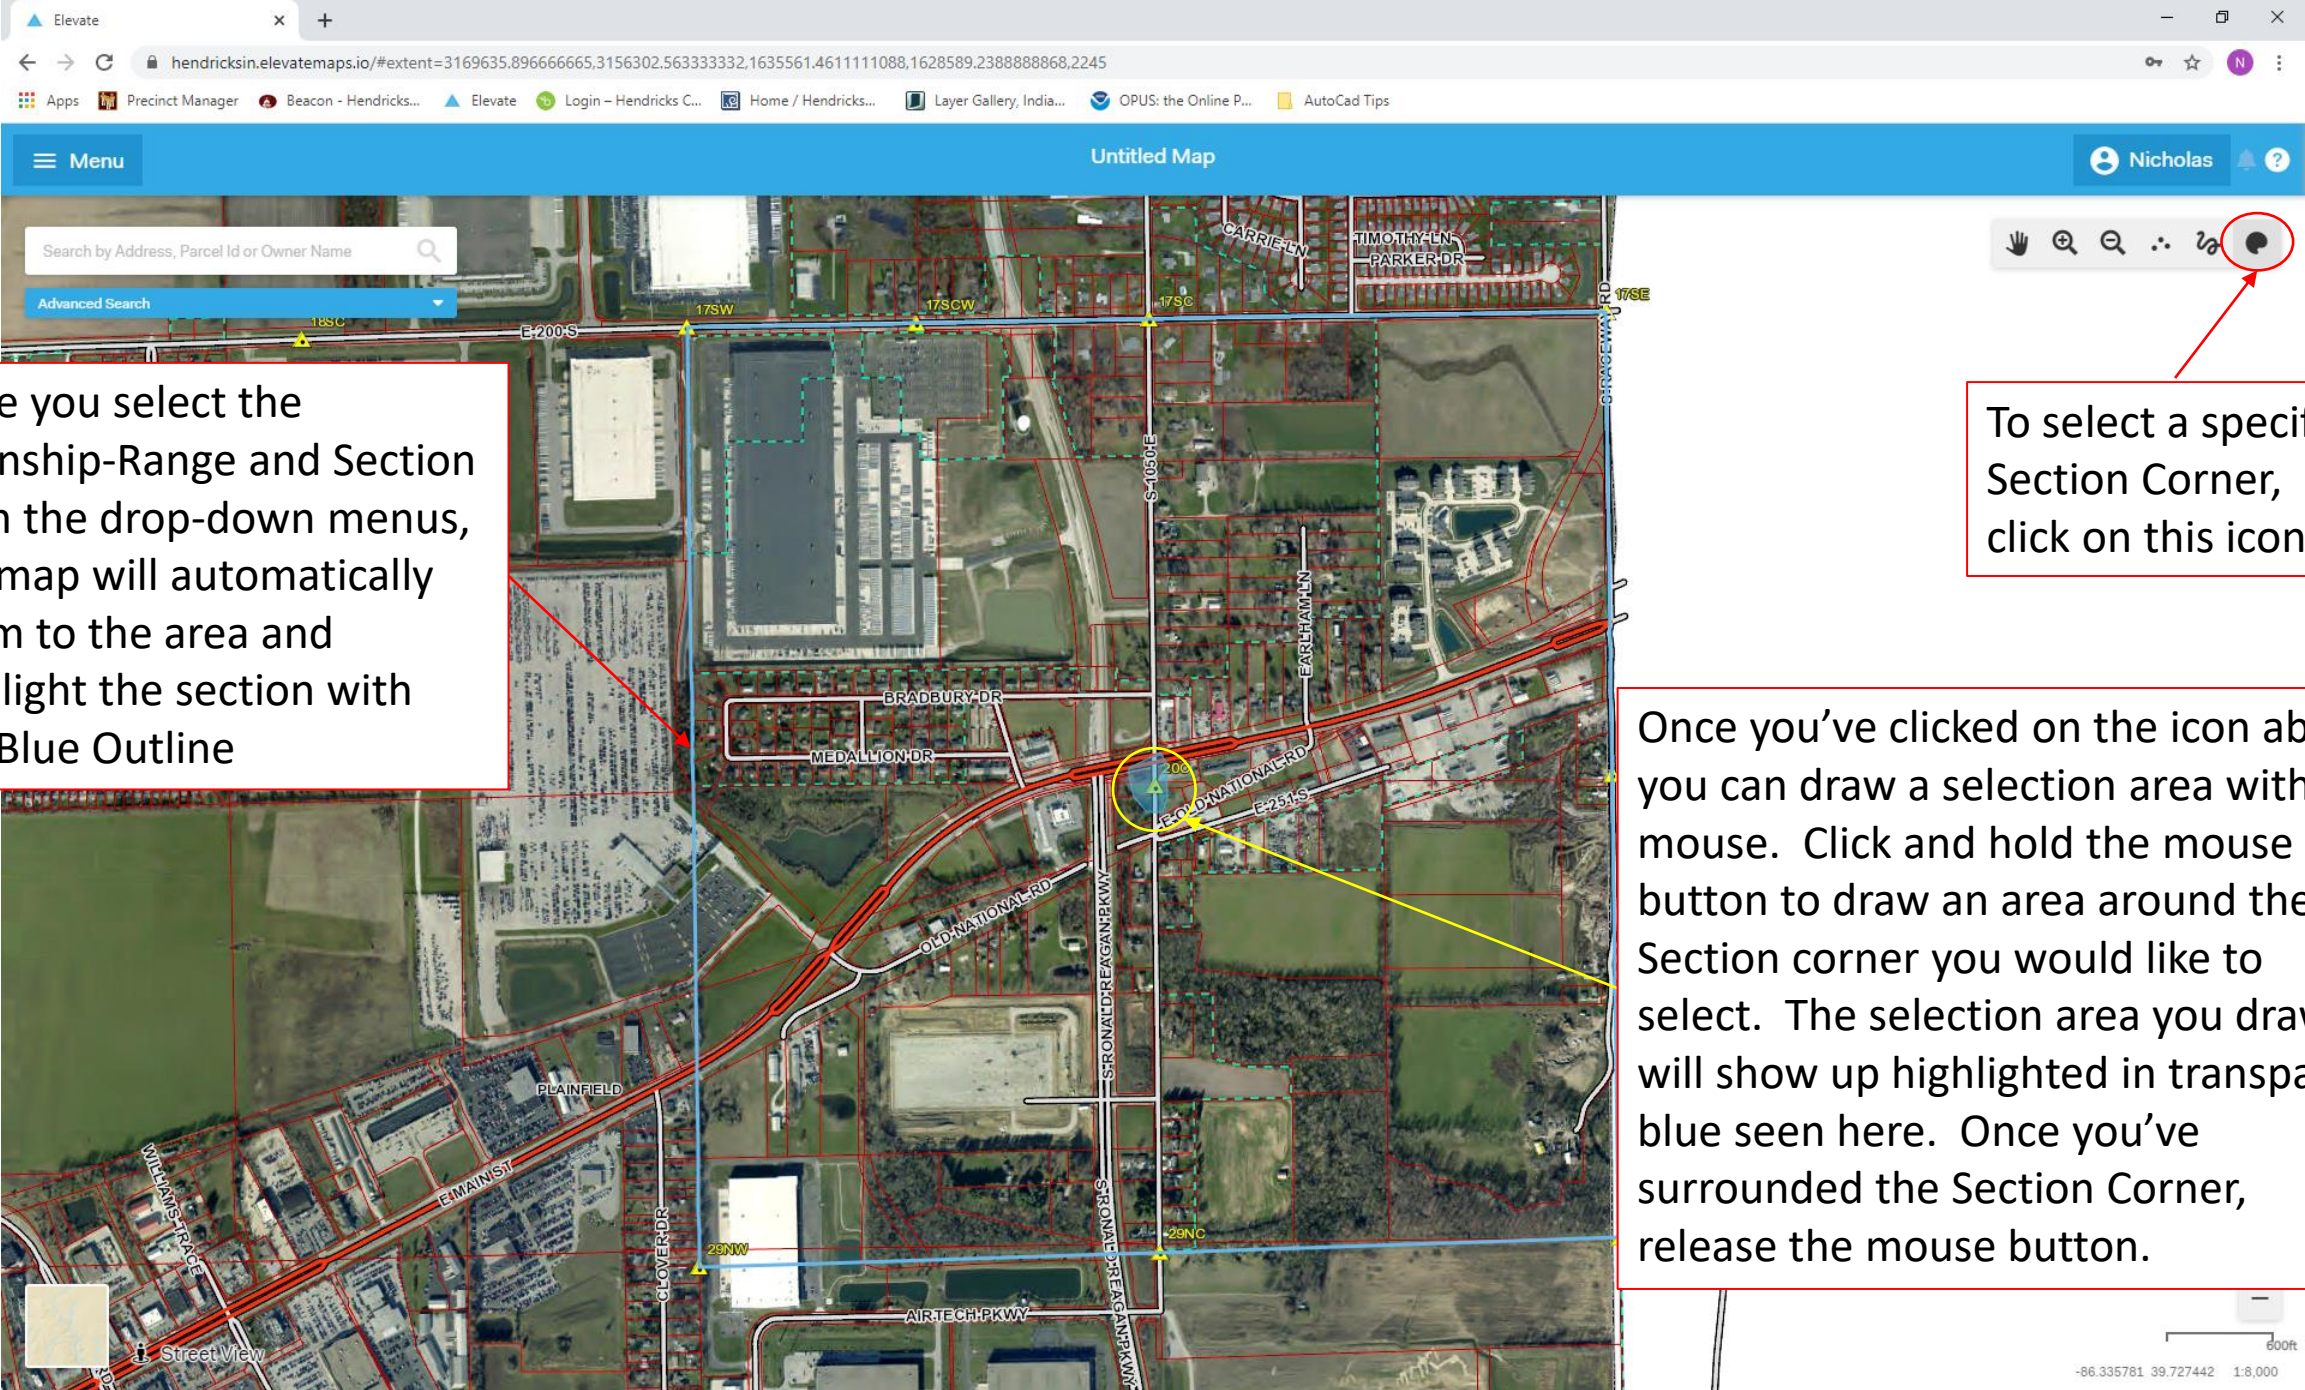

Followed by selecting "Township" right below

Map navigation controls: hand, zoom in, zoom out, full screen, share, print

Clear Search

Map navigation controls: full screen, compass, zoom in, zoom out, scale bar (3mi), coordinates (-86.937640 39.961772 1:175,000)

Once you select the Township-Range and Section from the drop-down menus, the map will automatically zoom to the area and highlight the section with the Blue Outline

To select a specific Section Corner, click on this icon

Once you've clicked on the icon above, you can draw a selection area with the mouse. Click and hold the mouse button to draw an area around the Section corner you would like to select. The selection area you draw will show up highlighted in transparent blue seen here. Once you've surrounded the Section Corner, release the mouse button.
