Affidavit of Applicant

- 1.) I understand that the review of this permit may take up to five (5) days.
- 2.) I have provided a copy of plot plan, including a legal description of the property, if applicable, showing the exact location of the proposed signs or advertising structures on the property with distances to lot lines and any buildings or structures.
- 3.) I have provided a detailed copy of the elevation drawing of the proposed signs with height, width, and depth dimensions; along with structural drawings, mechanical, and electrical specifications of the proposed signs and tenant panel drawings, if applicable.
- 4.) Sign cannot be erected before a permit has been posted. If construction or placement of a sign occurs without a permit, the applicant must submit an application for that sign and will be subject to an additional review fee and possible fines.
- 5.) The permit shall be posted in a conspicuous location, visible from the street, on the premises, and shall remain in place during the entire period of construction. **No inspection will be performed without a posted permit.**
- 6.) A re-inspection fee may be charged for all additional inspections, this fee must be paid prior to scheduling the re-inspection.
- 7.) The permit becomes void if an inspection has not been done within a year.
- 8.) If any changes or deviations are made from the original application, a new building permit with payment of all applicable fees shall be required.
- 9.) The undersigned shall be responsible to schedule all building inspections.
- 10.) The undersigned owner or agent understands that the approval of this application does not constitute a privilege to violate any applicable governmental ordinances, codes, or laws. In addition, any omission or misrepresentation of fact, with or without the intention of the undersigned, or any alteration or change from revocation of any permit issued which was based on the approval of this application.
