

## **2023-1 Community Crossing HMA Upcoming Paving Project**

### **NOTICE DATE:**

August 14, 2023

### **OVERVIEW:**

INDOT awarded the Hendricks County Highway Department with a \$1M Community Crossing Grant that will be used to resurface 13.2 miles of Hendricks County roads with HMA (Hot Mix Asphalt). The County must match the \$1M, resulting in improvements totaling \$2M.

### **THE PROCESS (Contracted through Milestone):**

The roads will receive a “structural overlay” consisting of three steps:  
Day 1 – *Binder*; 1-2 Days later – *Surface*; Up to 4-5 weeks later – *Seal Coat*.  
A small asphalt apron will be added to ASPHALT and CONCRETE driveways.

### **COMPLETION (Hendricks County Highway Department):**

The County crew will add stone to GRAVEL driveways after the final coat.

### **TIMELINE:**

Weather permitting, the project will begin on Tuesday, August 15, with an anticipated end date of Saturday, September 30.

### **HOW ARE ROADS SELECTED:**

The County Highway Department uses the PASER scale to determine road pavement condition. Every mile is visually inspected and rated annually. The condition and volume of traffic are the main criteria used to select roads for treatment.

**ROADS TO BE RESURFACED:**
