**Please note Body Modification permits are non-transferable*. Permit issued applies only to the above listed temporary event.

Required thirty (30) days prior to operation:

- 1. Prepared plans, to scale or with measurements, of the proposed layout including the locations of all artist stations and booths, hand washing sinks, waste receptacles, and restrooms.
- 2. Copy of a contract or other documentation with an infectious waste removal company.
- 3. Written standard procedures meeting IOSHA Bloodborne Pathogen Standard (29 CFR 1910.1030).

I, the undersigned, affirm that the foregoing information and representations are true, and that any booth any booth operator and artist will be immediately removed from the premises if the Health Department determines that they do not meet State and local requirements of 410 IAC 1-5, IC 35-42-2-7 and Hendricks County Health Department Ordinance 2018-01.
